Environmental Research and Education Foundation (EREF)	Board Member	2013	2015

IMPORTANT NOTE:

Only Class A superintendents whose classification truly reflects their current employment are eligible for office in GCSAA.

500 WORD STATEMENT

15 years ago, I was blessed with the opportunity to serve the local golf course superintendents in the Tampa Bay area as a member of the Florida West Coast GCSA board of directors. Little did I know that opportunity would have a lasting effect on my life. That service soon led to also serving on the Florida GCSA board, numerous GCSAA committees, and several years as a chapter delegate before being elected to the GCSAA board of directors. Each step of the way has inspired me to continue on this journey as the knowledge, experience and relationships gained from service are well worth the countless hours invested in the work.

Over the years I have changed. While my underlying core values and beliefs remain the same, how I perceive and interact with the world has evolved. Even just five years ago I thought I had all the answers and was prepared to tell everyone what needed to be done. However, after developing a better understanding of self and others, I have come to realize that it's not nearly as important to have the right answers as it is to ask the right questions. Just like I have seen value in my own evolution, I find it significant for the GCSAA to continue to evolve. Listening to and understanding the needs of our members will always be key in evaluating the right benefits and services to keep our industry moving forward.

I have been fortunate enough to serve on the GCSAA Board of Directors for the past five years. The experiences I have had while on the board have allowed me to grow both personally and professionally. It is this growth and experience that helps me put the significance of GCSAA into perspective. It always comes down to the people. The thing that matters most is community. It's the men and women who are part of this association that make it what it is. Our mission statement says, "GCSAA is dedicated to serving its members, advancing their profession and enhancing the enjoyment, growth and vitality of the game of golf." While this mission is the foundation for nearly everything we do, it all comes down to the people, how to best serve them today and for the decades to come. I hope to continue strengthening relationships and community amongst the men and women who work in this industry.

It is a great honor to be nominated for the office of Vice President to the 2022 GCSAA Board of Directors. My appreciation goes out to Florida GCSA and all the local chapters in Florida for believing in my abilities to serve this great profession.

June 23, 2021

GCSAA Nominating Committee Chairman Rafael Barajas, CGCS
c/o Shelia Finney, Senior Director, Member Programs
1421 Research Park Drive
Lawrence, KS 66049-3859

Dear Mr. Barajas,

On behalf of the Florida Golf Course Superintendents Association, Calusa GCSA, Central Florida GCSA, Everglades GCSA, North Florida GCSA, Palm Beach GCSA, Ridge GCSA, Seven Rivers GCSA, South Florida GCSA, Suncoast GCSA, Treasure Coast GCSA and West Coast GCSA I am honored to nominate Kevin Sunderman, CGCS for the Vice President position on the Board of Directors of the Golf Course Superintendents Association of America.

Kevin has shown an extensive record of committee service and performance on the Board of Directors with the West Coast GCSA, the Florida GCSA, The Environmental Research and Education Foundation, GCSAA Chapter Delegate and the GCSAA Board of Directors. He has also served the GCSAA Government Affairs Committee, Assistant Task Group, Certification Committee, Rounds 4 Research Task Group and the BMP Task Group. He has an exceptional ability to see the "big picture", think outside of the box, is an excellent leader, and has a very pragmatic approach to leading his team to their goals. He is an exceptional candidate to serve as Vice President.

Kevin is a 20-year GCSAA member, and he remains an active member of the West Coast GCSA. He is a past president of the Florida GCSA as well as the West Coast GCSA. He is also a winner of the 2015 Florida GCSA Distinguished Service Award.

Kevin is the current Director of Grounds at Isla Del Sol Yacht and Country Club in St. Petersburg, FL. He has held this position since July of 2005.

Kevin's leadership and professional approach to accomplishing the mission and goals of his associations will be an asset for the GCSAA. I cannot think of another superintendent better prepared to serve on the GCSAA Board of Directors.

Sincerely,

Florida GCSA President

cc: Andy Neiswender
