500 WORD STATEMENT

It's been an honor and pleasure to have served our 19000+ members as a GCSAA Director these past few years. I appreciate the support and trust that you have given me. I once again will ask you for your continued support to help lead this great association of ours into the future. In the beginning of my career I didn't even consider that being involved would be of interest to me and that others would do the necessary work. Later I saw that I really needed to get involved so I could be part of the solution first at the chapter level and eventually getting on GCSAA committee's and now the GSCAA Board of Directors.

As a candidate for Secretary/Treasurer I'm looking forward to carrying out all the responsibilities of the position's doing the recordkeeping and working with our CFO and accounting team to keep the GCSAA financially secure, and pointed towards the future. Our mission statement: to serve our members, advancing our profession and improving communities through the enjoyment, growth and the vitality of the game of golf. it is important that we don't lose site of our mission and provide our members what they need.

Having served on The GCSAA Board of Directors the past few years has propelled my passion for our association even higher. Having been involved in the various committees through the years it has given me a better understanding of all the different programs that we have. Being part of improving several of our programs has been exciting and rewarding time. One of the highlights was the revamping of the Certification process which has turned out to be a huge success. This is the type of things we need to continue to keep doing in our programs to make sure we are keeping everything up to date, fresh and serving our members in a way that has purpose to them.

. We need to get our individual facilities to adopt the BMP's which will help in giving greater credibility in our Government Relations efforts. Expanding the First Green curriculum to high school level will help get us in front of an immediate labor pool to show them there are opportunities in out industry for them.

I want to thank the Cactus and Pines GCSA chapter for their nomination and support in my bid for Secretary/Treasurer to the GCSAA Board in 2024. I am enthused once again with the opportunity to serve our members and our association in this capacity. It would be an honor and privilege to continue to serve this association and help propel it into the future.

Respectfully,

Doug Dykstra, CGCS
