

FACULTY ADVISER'S STATEMENT

Please provide to the adviser to complete along with a letter of recommendation.

- To preserve the anonymity of the judging process, after you have inserted the applicant's name please write the remaining recommendation letter **without** directly mentioning the applicant's name. Instead, refer to them by their role or involvement, such as "the applicant," "the individual," or "the candidate." This will allow the judges to review the letter objectively while maintaining fairness in the evaluation process.
- Your statement and evaluation are crucial to the judging process and can directly influence the final decision. Please ensure a thoughtful, detailed, and objective assessment, as judges rely on this feedback.
