Additional Notes

- Very mild winter and early spring have the course in excellent early-season condition.
- Course is named for the ridge formed by the terminal edge of glaciers in the last ice age. The property was settled in 1837 for farming. Large areas were left natural, and the property has been used for recreational use ever since.
- This is final American Family Insurance to be played at University Ridge.
- Davidson and his son Matthew won the 2019 Wisconsin State Golf Association Father-Son tournament. (more)
